Opening financial doors for churches

Thrivent's deep experience serving the Christian marketplace has given us a wealth of knowledge. We understand how churches and nonprofit ministries function and how their cash flow fluctuates.

We'll work closely with the decision makers in your church to provide a lending solution that's uniquely tailored for your ministry; one that will instill confidence from Day 1 and as your church continues to grow.

- No balloon payments.
- Customized refinancing to match your ministry needs.
- Flexibility to modify your loan to support future opportunities.
- A straightforward process that's easy to understand.
- A dedicated team to serve your ministry and loan over its entire term—and beyond.
